

Minutes for School Council Meeting

Friday, 7th December

We looked in the Suggestion Box.

- 1. One suggestion was that when Oak Class get their pen licence, they are given the option of being given a fountain pen rather than a handwriting pen. Maybe school could loan these to pupils?**
- 2. Another suggestion is that handballs are not to be used at break times. It would be better to use other balls at break times and the PE monitors would get out the main equipment and balls.**

We also discussed having a Mindfulness Garden where the fairy garden is at the moment so that there was somewhere quiet in school where we could gather and do quiet activities. We thought it would be good if we could have these things in the garden:

- A woodchip surface so that it isn't muddy**
- Plants such as lavender and mint**
- The bench should be repaired**
- There should be an outdoor table**
- A shelter for colouring sheets**
- A waterporoof box for all of the resources**
- Mini water feature which would be solar powered**
- Bird feeder**
- Easy sewing activities**

The next School Council Meeting will be held on Wednesday, 16th January 2019
