

# **Minutes for School Council Meeting**

**Monday, 14<sup>th</sup> January**

**We talked about what we can do here at Doddi School for Comic Relief Day which is on Friday, 15<sup>th</sup> March. Maya felt it was important that we should not sell red noses in school as they are made of plastic and we are trying to cut down on our plastic use. Some children suggested that we could make red noses from wool pom-poms instead. Other suggestions made were that we could make a Doddi joke book and maybe have a joke-telling assembly where we share the best jokes.**

**We also talked about what we could spend our School Council funds of £97 on. There were some suggestions about replacing some of the small play equipment or installing a fireman's pole on the side of the slide tower. Maya also suggested that there may be things that we might need after the School Council come back from the Eco-Schools Conference on Wednesday this week and we should wait to make any decisions until then.**

**George brought up the subject of the VIP table. He felt that the younger children would be chosen more often and that it might be fairer if children from Oak Class and Acorn Class take turns each week.**

**The next School Council Meeting will be held on Wednesday, 23<sup>rd</sup> January 2019 so that we can discuss the Eco-Schools Conference outcomes.**

**Mrs McManus and the School Council  
14<sup>th</sup> January 2019**
