

Doddiscombsleigh Primary School
Evidencing the Impact of Primary P.E. and Sport Premium
2018-2019

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> • Increased participation in competitive sport by encouraging children to join teams and take part in school-based and inter-school competitive events whereby they represent the school. • Increased the profile of sport and the importance of active lifestyles for children in school through the introduction of weekly mile. • Increased range of different sports and activity clubs as part of our after-school club provision through use of external providers with skills in particular areas. • Improved resources for playtimes/breaktimes in order to encourage more children to engage in physical activities. • We are continuing to work closely with Dynamic Sports Consultancy to further raise the level of achievements reached by pupils as well as working alongside teachers to increase their subject knowledge and confidence. 	<ul style="list-style-type: none"> • Further increase the profile of sport and physical activity within the school and provide a greater range of different sporting activities. • Develop implementation of the use of daily physical activity in order to promote both physical and mental well-being. • Develop playtime and lunchtime provision to support children in developing their physical fitness and skills and strengthen provision for structured game play across the school. • Implement an effective play leader scheme to encourage children to lead, coach and organise physical activities, sports and games for their peers/other children within the school. • To continue to target 'hard to reach' children who do not usually engage in sporting activities • To develop the opportunity for children in KS1 for after school sports clubs

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your children may swim in another year please report on their attainment on leaving primary school.	66%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	66%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	66%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes Additional support in the water as needed; additional water safety training; transport

		£16, 303	£16, 243

Focus	Action	Impact
<p>Improve opportunities for children to take part in regular daily physical activity.</p>	<ul style="list-style-type: none"> • Educate the children about the importance of physical activity linked to a wider programme focused on healthy lifestyles and mental wellbeing. • Sporting equipment is being continually updated making sure that high quality equipment is available for all classes to use in PE lessons, playtimes and lunch times. 	<p>More children are choosing active activities at lunchtimes, across a broader range of activities, e.g. circus skills, wheelies, football, basketball, throwing and catching games etc</p> <p>Children are more aware of the importance of daily physical activity on their mental, as well as physical well-being.</p> <p>Participation of sport during after school clubs has increased and children continue to enjoy the opportunity to take part in various free morning and after school sports clubs delivered by Dynamic Sports Consultancy. Lunchtime clubs on Monday and Thursdays have been extremely popular with the children helping more children achieve more PE and sport participation. Activities vary offering a range of events for all abilities and ages.</p>
<p>Improve P.E. and sport provision throughout the school through the development of teaching staff skills.</p>	<ul style="list-style-type: none"> • To continue to develop staff awareness of strategies for teaching P.E. and sport throughout the school. • To educate staff to about the importance of daily physical activity linked to mental well-being. 	<p>We have raised the level of achievement reached by pupils as well as working alongside teachers to increase their subject knowledge and confidence through our work with Dynamic Sports.</p>
<p>Improve outcomes for children in sport and P.E. by extending the range of physical activities that the children can access throughout the year.</p>	<ul style="list-style-type: none"> • To offer pupils access to a range of different sports and activities during the course of the year, including wider outdoor physical activities • To provide opportunities for children to access new sports and active play in a safe environment. • To support children to be able to ride a bike safely through implementation of Bikeability for Year 5 children. • Extra swimming sessions/additional support to support children at risk of not meeting the 25m swimming target by the end of Year 6. 	<p>Children in Key Stage 2, particularly in upper Key Stage 2 have benefitted from additional Outdoor Club activities, with high uptake numbers for all the different activities. Transport costs have been supplemented making the activities more accessible to all families.</p> <p>Bikeability has been offered to all children in Year 5 once again; additional sessions needed to accommodate high interest.</p> <p>P.E. provision has also improved, extending the range of different sports that can be played, alongside teaching and improving basic skills. See above data for swimming.</p> <p>Swimming provision is a high priority for all children, from Reception to Year 6, with each class receiving their statutory 3 x hours of lessons per year. The P.E. and Sports Premium Fund has enabled us to fund the transport to and from these sessions, alongside supplements from the school budget, as well as additional water safety sessions for all children.</p>
<p>Increase opportunities for children to take part in sporting activities alongside children</p>	<ul style="list-style-type: none"> • Increase range of competitive sports included within the PE curriculum at school. 	<p>Children of all age groups within the school have taken part in activity days in a wide variety of different sports. These have been</p>

<p>from other schools at festivals, as well as competitively against other schools in tournaments.</p>	<ul style="list-style-type: none">• Increase opportunities for children to participate in sports festivals alongside children from other schools.• Increase the number of children to be given the opportunity to represent the school in competitive sport throughout the school year as part of a cycle of tournaments.	<p>annual events. Transport costs to and from these events has been supplemented from the P.E. and Sports Premium Fund.</p> <p>Children's achievements in sports outside of school have been celebrated and we are working on establishing better links with local sports providers.</p>
