MEETINGS

Our meetings are held every month with Mrs Wiseman, our Head of School. After every meeting, the Chair and Vice-Chair feedback the information and suggestions to the rest of the school. We have a suggestions box in the school foyer that children can add to in between meetings.

RIGHTS RESPECTING SCHOOL

We are a Rights Respecting School. We all have the right to be heard and listened to (Article 12), so the school council plays a very important role in our school, adding towards our pupil voice.

World Book Day/
New School Library

MINUTES

Suggestions Box:

- Children would like mayonaise as well as ketchup at lunchtimes.
- Children would like smaller basketball nets for the younger children (Mrs Wiseman has taken these ideas and will let us know the outcome)

- School Council Money: We would like to spend our money by letting every child buy a book of their choice, to launch our new and exciting library
- World Book Day. We discussed possible options for celebrating this year. We decided to organise a whole school trip to Waterstones to buy our new books. We will decide in the next meeting about dressing up, having spoken to the rest of the school.

Suggestions Box

There were no new suggestions from the box or school council members.

- World Book Day. The trip has been booked by Mrs Wiseman and Mr Collings. We have decided that everyone should dress up for the day.
- Sport Relief. Mrs Wiseman explained what Sport Relief was. We are going to speak to the rest of the school in the next Celebration Assembly and see what their ideas are for raising money.
