Primary School

Reception Home Learning Pack Week Beginning: 20.04.2020

Information for parents

This learning pack has been created to give you and your children a variety of activities and ideas to choose from while they are at home linked to their 7 areas of learning. We completely appreciate that many families will have a lot to manage at this time, so these packs have been put together as *ideas* to support your child's learning over the coming week. We have therefore compiled different activities that your child may wish to explore, depending on the time and resources that you have available.

When your children have completed different activities, you can upload them onto Tapestry using their individual logins. However, if your child does work in separate books or on paper, this can be brought into school with them when they return. Work will not be formally marked but children will certainly be praised for all of the fantastic learning that they have achieved.

Maths

Every week you can visit the link: <https://whiterosemaths.com/homelearning/>

These White Rose Hub resources give you a video explaining the new concept, along with a number of activities to work through and then answers to check your work. We don't expect you to print the worksheets off, but just work through the activities with your children.

Reading

Please keep sharing books with your children during the day and at bedtime. This helps promote a love of reading. Alongside this they can practise their phonics and understanding of books using bugclub.

	Monday	Tuesday	Wednesday	Thursday St George's Day	Friday
Literacy development	<p><u>Phonics</u> Tricky words some, come, were, there Teach the word. Can children read the word? Choose a small world toy set (horse, train set, farm, dolls, animal). Put the words on the floor/within the small world. Children role play being a small world toy moving to the different words.. reading them as they go. Can children make a list of the words on a little piece of paper with little writing and read it to the small world toy?</p>	<p><u>Phonics</u> Looking at words with consonant blend at the beginning. e.g. spot, spin, stop. Have a go at reading these words – point to each sound as you read, add sound buttons to help. Re-practice reading tricky words Some, come, were, there</p>	<p><u>Phonics</u> Tricky words some, come, were, there Teach the word. Can children read the word? Can children write the word big? (chalk, stone or large pieces of paper) Can children write the word medium? Can children write the word small? Can children write the word tiny?</p>	<p><u>Phonics</u> Looking at words with consonant blend at the beginning. e.g. clap, grip, trip. Have a go at writing these words – point to each sound as you read, add sound buttons to help. Re-practice writing tricky words Some, come, were, there</p>	<p><u>Phonics</u> Silly sentence Friday. Using their phonics sounds (using sound mats) can children write a caption/sentence about this picture:  Can they read it themselves? Have you used finger spaces? Have you formed your letters correctly? ***Challenge*** Can you use 'and' in your sentence?</p>
Personal, Social, Emotional Development	<p>How do we stay safe at home? Can you help your adult to do a job? (cooking, DIY, Playing outside) How do we stay safe whilst doing it?</p>	<p>How do we stay safe at home? Can you help your adult to do a job? (cooking, DIY, Playing outside) How do we stay safe whilst doing it?</p>	<p>How do we stay safe at home? Can you help your adult to do a job?
