

Doddiscombsleigh
Primary School

Year 3 and Year 4 Home Learning Pack Week Beginning: 20.04.2020

Information for parents

This learning pack has been created to give you and your children a variety of activities and ideas to choose from while they are at home. We completely appreciate that many families will have a lot to manage at this time, so these packs have been put together as *ideas* to support your child's learning over the coming week. We have therefore compiled different activities that your child may wish to explore, depending on the time and resources that you have available.

When your children have completed different activities, you can upload them onto Google Classroom or Tapestry using their individual logins. However, if your child does work in separate books or on paper, this can be brought into school with them when they return. Work will not be formally marked but children will certainly be praised for all of the fantastic learning that they have achieved.

Diary entries

Alongside all of the ideas that we have set out in these learning packs, we feel that it would be really interesting for children to write their own diary entries over the coming weeks. Imagine looking back on what they wrote in 20 years and being able to share it with others!

English

This week we would like you to write a non-chronological report on a topic related to the Romans. You could base your report on anything to do with the Romans that you like, or try one of these ideas: Roman food, Roman soldiers, Roman art, Roman buildings, Romans in Britain, Roman weapons, Roman entertainment, Roman gods and beliefs...

To get you thinking about what a non-chronological report is, have a look round your house for any magazines, newspapers, information leaflets or brochures. Talk with an adult, at home, about what you think is similar about them and which one is your favourite and why.

Your writing needs to include:

The layout of a non-chronological report - <https://www.bbc.co.uk/teach/class-clips-video/how-to-write-a-nonchronological-report/zvbtscw>

- Technical vocabulary

Maths

This week we would like you to visit the link: <https://whiterosemaths.com/homelearning/>
 These White Rose Hub resources give you a video explaining the new concept, along with a number of activities to work through and then answers to check your work. We don't expect you to print the worksheets off, but it would be useful for children to show their workings and then check their answers.

Alongside these White Rose Hub activities, don't forget to use the following websites (using your individual logins) to practice other basic skills: Times Tables Rock Stars, Numbots and Education City

Monday

White Rose Hub: Activity 1

Tuesday

White Rose Hub: Activity 2

Wednesday

White Rose Hub: Activity 3

Thursday

White Rose Hub: Activity 4

Friday

White Rose Hub: Activity 5

Spellings

There are two main ways in which you can practice your spellings:

- Spelling Frame: <https://spellingframe.co.uk/>
- Learn the words on your spelling list (see information below) in fun ways, including: Look, cover, say, write, check, Rainbow writing, Bubble writing, Backwards writing, Pyramid writing, Silly sentences or Mnemonics

To find your year group's statutory spellings, Google: E.g. Year 1 Common Exception Word List or E.g. Year 5 Statutory Spelling List
 Below is an example of ways in which you could learn your spellings each day:

Monday

Morning: Spelling Frame Rule 6

Afternoon: Bubble writing spellings from the word list

Tuesday

Morning: Spelling Frame Rule 7

Afternoon: Rainbow writing spellings from the word list

Wednesday

Morning: Spelling Frame Rule 8

Afternoon: Pyramid writing spellings from the word list

Thursday

Morning: Spelling Frame Rule 9

Afternoon: Silly sentences with spellings from the word list

Friday

Morning: Spelling Frame Rule 10

Afternoon: Look, say, cover, write, check with spellings from the word list

Reading

As you all know, reading is very beneficial to your education and nothing is better than escaping into a good book. The expectation is that you are reading for **at least 30 minutes per day**. When you have finished reading, ask an adult to ask you some questions about what you have read.

Additional to this, you could visit the following websites:

- Bug Club, www.phonicsplay.co.uk , Education City, Oxford Owl, Accelerated Reader

Media Text: Taking Flight

You-tube Link: <https://www.youtube.com/watch?v=Gj6V-xZgtIQ&t=61s>

Vimeo Link: <https://vimeo.com/182555047>

Watch the short animation, following the instructions below for when to pause the film.

Watch the film to the end. Pay close attention so that you don't miss any details.

1. What is the name of the little boy in the story?
2. What does the little boy see in the garage that makes him curious?
3. What are the different places/adventures that the boy and his grandpa visit in the story?
4. How do you think Dad feels when he sees his son and father really dirty? What changes his mind?
5. What adjectives would you use to describe the monkeys they meet on their first adventure? Draw a monkey and write your describing words around it.

Remember to explain your answers as fully as you can.

YEAR 3 CHALLENGE

Create an alien

In the film we do not see the alien. Describe what you think the alien looks like and draw a picture or create a fact-file. If you're feeling creative, make the alien out of recycled materials. Ask a grown-up to take a picture and post on Tapestry and/or Google Classroom.

YEAR 4 CHALLENGE

Choose your own adventure

What adventure would you want to go on in the wagon? Describe the adventure that you would have. Think about the other vehicles the wagon could become – describe it. Describe the setting that you would travel through. Create a setting picture or setting shoebox to go with your description.

ADDITIONAL CHALLENGE

Alien Maths

Why not have a go at the additional alien maths tasks which have been uploaded to Google Classroom.

Learning Challenge Curriculum/Topic Work

Your key learning question is:

Why were the Romans so powerful and what did we learn from them?

This key learning question will last for the whole half term (6 weeks). We would like you to create a project based on this key question to show what you have learnt and found out about this topic. Read below for different ways in which you could carry out your project, based on your interests:

There are lots of supporting resources on twinkl (this is probably a good starting point, if you are struggling for inspiration) <https://www.twinkl.co.uk/search> (search “free roman resources”). BBC Bitesize is also good for inspiration/information <https://www.bbc.co.uk/bitesize/topics/zwmpfg8/resources/1>

If you like art:

- Create a comic strip to tell the tale of a key event in Roman history.
- Draw pictures of Roman artefacts and label them showing what they tell us about Roman life.
- Draw and label a diagram of a Roman soldier.
- Draw Roman buildings.

If you like writing:

- Create a Roman news report (if they existed, what would a Roman news reader talk about?)
- Write a diary entry for a Roman soldier.
- Write a diary entry for a Roman gladiator.
- Write an information piece entitled “what we learned from the Romans.”
- Write a travel brochure encouraging Britains to move to Rome!

If you like designing and making:

- Create your own Roman food menu (what foods did they have?)
- Create a poster advertising Roman entertainment (think...gladiators, the colosseum, chariots).
- Design a Roman city (you could possibly use Minecraft or the Minecraft style of drawing to help you).

If you like researching/ presenting:

- THIS SECTION MUST BE DONE FIRST BEFORE ANYTHING ELSE IN WEEK 1
- Conduct a research project based on the Roman army (think about weapons, armour and tactics).
 - Conduct a research project about what we learned from the Romans (how they changed architecture, engineering, society, food).
 - Make a “Horrible Histories style “video or song!

Other ideas:

- Make your own word search with key vocabulary you have collected over this project.
- Create a quiz that is all about Romans.
- Draw a map to show key Roman fortifications.

Other Learning/Activities

Mindfulness

- www.headspace.com
- Twinkl – Mindfulness colouring sheets and activities

Exercise/PE Ideas

- All ages: Joe Wicks Daily Workouts – 9am on YouTube (The Body Coach TV)
- Just Dance (You Tube)
- Cosmic Kids (You Tube)
- Go Noodle – www.gonoodle.com
- Achieve 4 All Daily Challenges – See attached document

Free Online Resources:

Name of Resource	Overview/Notes	Website address/Hyperlink
Times Table Rock Stars 	Continue to encourage the children to complete regular practice of their multiplication and division facts.	https://trockstars.com/
Numbots 	For Reception and Key Stage 1 to build basic skills and number facts practice. Your log in is the same as TTRock Stars.	https://numbots.com/
Spelling Frame 	Spellingframe includes all the words - both statutory and the example words - from the National Curriculum for Spelling for Year 1 to Year 6. Choose a spelling rule and each word is read aloud and provided within a sentence for context. Different games to help with practice.	https://spellingframe.co.uk/
Manchester Children's University 	Useful information and resources about a range of different topics. The history and science resources are especially useful if completing topic-themed projects.	https://www.childrensuniversity.manchester.ac.uk/
Teach Your Monster to Read 	Covers everything from letters and sounds to reading full sentences. Complements all synthetic phonics programmes used in schools. Computer version is 100% free.	https://www.teachyourmonstertoread.com/
Phonics Play 	Practice letter sounds and phonics using the simple games and activities on this website.	https://www.phonicsplay.co.uk/

BBC Bitesize Primary		A vast bank of resources for the full range of subjects. Includes information slides, video clips, games and interactives.	https://www.bbc.co.uk/bitesize/primary
Oxford Owl		Lots of different learning resources to support home learning, including a full range of Oxford Reading Tree e-books that can be read on tablets and computers.	https://www.oxfordowl.co.uk/
Scholastic		An American site, so organized into grades rather than year groups. However, there are daily activities which involve reading a text and completing some activities.	https://classroommagazines.scholastic.com/support/learnathome.html
Top Marks Education		Games and activities to support learning in different subjects	https://www.topmarks.co.uk/
Doorway Online		Doorway Online is a collection of free and highly accessible educational games that learners will find easy to use independently. Each activity has a range of accessibility and difficulty options. Originally developed with funding from Scottish Borders Council, it is now managed by the Doorway Accessible Software Trust, a Scottish charity.	https://www.doorwayonline.org.uk/
Britannica Visual Dictionary		A great site to support the development of children's vocabulary as part of their reading and 'word catching'.	https://kids.britannica.com/kids/browse/dictionary
Scratch Junior		Coding activities for children to develop their computing skills. Site has different projects for the children to complete and is available on computers and tablets.	https://scratch.mit.edu/
Corbett Maths		Key Stage 2 resources for maths. Differentiated worksheets, 5-a-day maths sheets and questions, as well as video clips of tutorials for questions that	https://corbettmathsprimary.com/

	need more support. Can search for questions by topic.
