Primary School

Reception Home Learning Pack Week Beginning: 11.05.2020

Information for parents

This learning pack has been created to give you and your children a variety of activities and ideas to choose from while they are at home linked to their 7 areas of learning. We completely appreciate that many families will have a lot to manage at this time, so these packs have been put together as *ideas* to support your child's learning over the coming week. We have therefore compiled different activities that your child may wish to explore, depending on the time and resources that you have available.

When your children have completed different activities, you can upload them onto Tapestry using their individual logins. However, if your child does work in separate books or on paper, this can be brought into school with them when they return. Work will not be formally marked but children will certainly be praised for all of the fantastic learning that they have achieved.

Maths

Every week you can visit the link: <https://whiterosemaths.com/homelearning/>

These White Rose Hub resources give you a video explaining the new concept, along with a number of activities to work through and then answers to check your work. We don't expect you to print the worksheets off, but just work through the activities with your children.

Reading

Please keep sharing books with your children during the day and at bedtime. This helps promote a love of reading. Alongside this they can practise their phonics and understanding of books using bugclub.

	Monday	Tuesday	Wednesday	Thursday	Friday
Literacy development	<p><u>Phonics</u></p> <p>https://epicphonics.com/teachers/phase/4</p> <p>Use this site to join in the songs and practise the words we have learnt.</p>	<p><u>Phonics</u></p> <p>Recap all learning from last few weeks. Practise reading simple sentences with all the digraphs / trigraphs in.</p>	<p><u>Phonics</u></p> <p>Using the tricky words that have been learnt last few weeks - Play pairs, snap or a Memory game. -</p>	<p><u>Phonics</u></p> <p>Can you read these sentences and draw a picture to go with it?</p> <p>It is fun to camp in a tent.</p> <p>A drip from the tap drops into the sink.</p> <p>I must not tramp on the flowers.</p> <p>The frog jumps into the pond and swims off.</p>	<p><u>Phonics</u></p> <p>Silly sentence Friday. Using their phonics sounds (using sound mats) can children write a caption/sentence about this picture:</p>  <p>Can they read it themselves? Have they used finger spaces? Have you formed your letters correctly?</p>
Personal, Social, Emotional Development	<p>Talk about happiness – how does it feel to be happy? What is the opposite of that feeling?</p>	<p>Recap the bucket filled with happiness. Watch the story... https://www.youtube.com/watch?v=G3u-jUvANN8</p> <p>Have you filled their bucket? What have you done this week to fill a bucket for someone in your family?</p>	<p>Find a container or bucket at home. Draw pictures or write about the things that fill your bucket or fill others. Everyone in the family could join in.</p>		
Mathematics	<p>Go to website - https://whiterosemaths.com/homelearning/early-years/</p>	<p>Go to website - https://whiterosemaths.com/homelearning/early-years/</p>	<p>Go to website - https://whiterosemaths.com/homelearning/early-years/</p>	<p>Go to website - https://whiterosemaths.com/homelearning/early-years/</p>	<p>Go to website - https://whiterosemaths.com/homelearning/early-years/</p>
Physical Development	<p>Can you create an obstacle course in your garden for your family? Hula hoops, cushions to step on and a</p>		<p>Listen to different types of music- Can you move in ways to match the music?</p>		

	scooter to ride on?			
Communication and Language	This week we would like you to focus on non fiction books. How are they different to story books? What do they tell us? Do you have any in your house?	Non – fiction books don't have to be read page by page. Choose something you want to find out about – can you find out any facts about it through books, online or asking a grown up.	Make your own video talking about the facts you have found out. What do you know now that you didn't know more? Help your friends learn more information from you. Could you do a facetime with someone else in your family and find out some facts or tell them yours?	
Understanding the world	History week: find some old photos – how have you changed? Can you tell it was you as a baby? Your grown ups changed in the pictures – what's the same and different about them?	Look at photos of the rest of your family when they were younger. Are there any similarities between you and them? -	Talk about places you have visited in the photos, Can you remember the trips that you have been on? Where did you go? How was it different from places near here?	
Expressive Arts and Design	Use paints, pens, crayons, chalk to create an art gallery in your house or on the patio outside? Don't forget to put on tapestry to show us!			
<u>Other Learning/Activities</u>				
Mindfulness	<ul style="list-style-type: none"> • www.headspace.com • Twinkl – Mindfulness colouring sheets and activities 			
Exercise/PE Ideas	<ul style="list-style-type: none"> • All ages: Joe Wicks Daily Workouts – 9am on YouTube (The Body Coach TV) • Just Dance (You Tube) • Cosmic Kids (You Tube) • Go Noodle – www.gonoodle.com • Achieve 4 All Daily Challenges – See attached document 			

Free Online Resources:

Name of Resource	Overview/Notes	Website address/Hyperlink
Numbots 	For Reception and Key Stage 1 to build basic skills and number facts practice.	https://numbots.com/
Manchester Children's University 	Useful information and resources about a range of different topics. The history and science resources are especially useful if completing topic-themed projects.	https://www.childrensuniversity.manchester.ac.uk/
Teach Your Monster to Read 	Covers everything from letters and sounds to reading full sentences. Complements all synthetic phonics programmes used in schools. Computer version is 100% free.	https://www.teachyourmonstertoread.com/
Phonics Play 	Practice letter sounds and phonics using the simple games and activities on this website. Username: march20 password: home	https://www.phonicsplay.co.uk/
BBC Bitesize Primary 	A vast bank of resources for the full range of subjects. Includes information slides, video clips, games and interactives.	https://www.bbc.co.uk/bitesize/primary
Oxford Owl 	Lots of different learning resources to support home learning, including a full range of Oxford Reading Tree e-books that can be read on tablets and computers.	https://www.oxfordowl.co.uk/
Scholastic 	An American site, so organized into grades rather than year groups. However, there are daily activities which involve reading a text and completing some activities.	https://classroommagazines.scholastic.com/support/learnathome.html
Top Marks Education 	Games and activities to support learning in different subjects	https://www.topmarks.co.uk/
Doorway Online 	Doorway Online is a collection of free and highly accessible educational games that learners will	https://www.doorwayonline.org.uk/

		find easy to use independently. Each activity has a range of accessibility and difficulty options. Originally developed with funding from Scottish Borders Council, it is now managed by the Doorway Accessible Software Trust, a Scottish charity.	
Britannica Visual Dictionary		A great site to support the development of children's vocabulary as part of their reading and 'word catching'.	https://kids.britannica.com/kids/browse/dictionary
Scratch Junior		Coding activities for children to develop their computing skills. Site has different projects for the children to complete and is available on computers and tablets.	https://scratch.mit.edu/
Corbett Maths		Key Stage 2 resources for maths. Differentiated worksheets, 5-a-day maths sheets and questions, as well as video clips of tutorials for questions that need more support. Can search for questions by topic.	https://corbettmathsprimary.com/
