## Reception Home Learning Pack Week Beginning: 18.05.2020

### Information for parents

This learning pack has been created to give you and your children a variety of activities and ideas to choose from while they are at home linked to their 7 areas of learning. We completely appreciate that many families will have a lot to manage at this time, so these packs have been put together as *ideas* to support your child's learning over the coming week. We have therefore compiled different activities that your child may wish to explore, depending on the time and resources that you have available.

When your children have completed different activities, you can upload them onto Tapestry using their individual logins. However, if your child does work in separate books or on paper, this can be brought into school with them when they return. Work will not be formally marked but children will certainly be praised for all of the fantastic learning that they have achieved.

### Maths

Every week you can visit the link: <https://whiterosemaths.com/homelearning/>

These White Rose Hub resources give you a video explaining the new concept, along with a number of activities to work through and then answers to check your work. We don't expect you to print the worksheets off, but just work through the activities with your children.

### Reading

Please keep sharing books with your children during the day and at bedtime. This helps promote a love of reading. Alongside this they can practise their phonics and understanding of books using bugclub.

	Monday	Tuesday	Wednesday	Thursday	Friday
<b>Literacy development</b>	<p><u>Phonics</u> Tricky words: <b>Mr, Mrs people</b> Can children read the words? Can children write words?</p> <p>How many Mr and Mrs people can they name? Put it in a sentence: e.g Mrs Webb is my teacher.</p>	<p><u>Phonics</u> Write yes or no on 2 bits of paper.</p> <p>Can the children read these questions and decide what the answer is?</p> <p>Can crabs clap hands?</p> <p>Can a clock get cross?</p> <p>Is the moon green?</p> <p>Can frogs swim in ponds?</p>	<p><u>Phonics</u> Tricky words: <b>Mr, Mrs people</b></p> <p>Play teachers – use the tricky words learnt over the week – hold them up – how many can be read in a minute? Play alongside a grown up.</p>	<p><u>Phonics</u> Blu tack or post it note with sounds on. Can children splat the sounds as you say it? Have a race with a sibling or read the sounds for you to splat.</p>	<p><u>Phonics</u> Silly sentence Friday. Using their phonics sounds (using sound mats) can children write a caption/sentence about this picture:</p>  <p>Can they read it themselves? Have they used finger spaces? Have you formed your letters correctly?</p>
<b>Personal, Social, Emotional Development</b>	<p>Record a happy message for a friend, maybe sing them a song or just say hello – what would they like? Ask a grown up to send it to their grown up or upload it to tapestry.</p> <p>Draw a picture for your friend and send it to them in the post.</p>
