Year 2 Home Learning Pack Week Beginning: 08.06.2020

Information for parents

This learning pack has been created to give you and your children a variety of activities and ideas to choose from while they are at home. We completely appreciate that many families will have a lot to manage at this time, so these packs have been put together as *ideas* to support your child's learning over the coming week. We have therefore compiled different activities that your child may wish to explore, depending on the time and resources that you have available.

When your children have completed different activities, you can upload them onto Google Classroom or Tapestry using their individual logins. However, if your child does work in separate books or on paper, this can be brought into school with them when they return. Work will not be formally marked but children will certainly be praised for all of the fantastic learning that they have achieved.

Diary entries

Alongside all of the ideas that we have set out in these learning packs, we feel that it would be really interesting for children to write their own diary entries over the coming weeks. Imagine looking back on what they wrote 20 years ago and being able to share it with others!

English

This week we would like you to focus on *poetry*.

Did you know that Monday 8th June is World Ocean Day!

There are many poetry ideas that you could try at home. Why not give these a go?

Have you heard of the book 'Commotion in the Ocean'? It's a fabulous rhyming story about the ocean and many sea creatures. Follow this link to listen to it online:

<https://www.youtube.com/watch?v=9pRhgz8Jffs>

Which is your favourite sea creature? Can you write a poem about them? Here is a word mat that might help you:

<https://www.twinkl.co.uk/resource/t-t-2932-commotion-in-the-ocean-word-mat-images>

How many rhyming words could you hear? Can you write some down and play rhyming bingo or rhyming pairs? Can you challenge yourself to think of different rhyming words?

Ocean shape poems would be a lovely thing to try. Look at this PowerPoint to help you with some ideas or just think of your own sea creature or something to do with the ocean and have a go.

<https://www.twinkl.co.uk/resource/au-l-53415-ks1-ocean-shape-poetry-powerpoint>

Acrostic poems are great fun. This is where you write the word that you want your poem to be about down the side of your page. Choose a word to do with the ocean, water, Titanic etc. and write an acrostic poem. Here are some links that may help you:

<https://www.twinkl.co.uk/resource/au-l-53411-ocean-acrostic-poem-powerpoint>

<https://www.twinkl.co.uk/resource/t-t-11006-under-the-sea-acrostic-poem>

Or you can just get plain paper and write your own large letters down the side, you could try bubble writing and colour each letter in.

Finally, you could make your own instruments and create some ocean sounds to go with a poem that you have written. You could then practise saying your poem out loud and perform it to someone in your house or maybe your toys!

Remember poems are fun and have no specific rules so you can be as creative as you like! When you are writing your own poems, remember to use your basic skills and beautiful presentation. Is your handwriting joined? Can you use adjectives in your poem? Can you use alliteration? Can you challenge yourself to use a simile? Have fun!

Maths

This week we would like you to visit the link: <https://whiterosemaths.com/homelearning/> and watch the video. Then, work through the activities on the sheet (You will find these in Google Classroom) and then check your work. We don't expect you to print the worksheets off, but it would be useful for children to show their workings and then check their answers.

Alongside these White Rose Hub activities, don't forget to use the following websites (using your individual logins) to practice other basic skills: Times Tables Rock Stars, Numbots and Education City

Monday

White Rose Hub: Activity 1

Tuesday

White Rose Hub:
Activity 2

Wednesday

White Rose Hub: Activity 3

Thursday

White Rose Hub:
Activity 4

Friday

White Rose Hub:
Activity 5

Spellings

There are two main ways in which you can practice your spellings:

- Spelling Frame: <https://spellingframe.co.uk/> (**Finish any rules you haven't yet completed**)
- Learn the words on your spelling list (see information below) in fun ways, including: Look, cover, say, write, check, Rainbow writing, Bubble writing, Backwards writing, Pyramid writing, Silly sentences or Mnemonics

To find your year group's statutory spellings, Google: Year 2 Common Exception Word List

Reading and Phonics

As you all know, reading is very beneficial to your education and nothing is better than escaping into a good book. The expectation is that you are reading for **at least 15 minutes per day**. When you have finished reading, ask an adult to ask you some questions about what you have read.

Additional to this, you could visit the following websites:

- Bug Club, www.phonicsplay.co.uk, Education City, Oxford Owl

For your reading task this week, we would like you to find the text in your Google Classroom that has been uploaded for you. Read the text carefully and answer the questions.

Learning Challenge Curriculum/Topic Work

Your key learning question is: Why do we love to be beside the seaside?

This key learning question will last for 4 weeks. We would like you to create a project based on this key question to show what you have learnt and found out about this topic. Read below for different ways in which you could carry out your project, based on your interests. If you're able to, visit the seaside! Take lots of pictures, build an amazing sandcastle, search for treasure or exciting shells and think about what noises you can hear.

If you like art:

Look up artist Paul Bursnall. Create one of his pictures or, draw your own from a beach

If you like reading and writing:

Write your own Punch and Judy sketch. You

If you like designing and making:

Can you make your own seaside landscape? You could

If you like researching/ presenting:

Other ideas:

Think of how you can clean dirty water (you could make dirty water by adding a little

<p>you have been to.</p> <ul style="list-style-type: none"> · Study lots of pictures of various seaside wildlife and draw an observational Drawing. · Can you make a collage from items you find on the beach? Think of pieces of plastic, shells, special stones or drift wood. If you can't get to the beach, do the same but with items from your garden. 	<p>may want to watch a puppet show first.</p> <ul style="list-style-type: none"> · Write a postcard to a family member (or Mr Collings) about a trip you went on to the seaside. · Write a 'recipe' poem for what you need if you're going to have an amazing day. · Write a poem about the sea. It would be about the changes in weather, your senses when you're at the seaside. 	<p>include blue paper for the sea, cotton wool for waves, sand dunes.</p> <ul style="list-style-type: none"> · Design and draw your own ice cream – get creative. What delicious flavours and toppings would you have? · Make your own fish – you could make them from pieces of Willow soaked and then tied together. · You could make your own puppet show full of puppets and sets (it doesn't have to be Punch and Judy!). 	<p>Think about how the seaside has changed throughout history. What can you find out? What are the differences and similarities?</p> <ul style="list-style-type: none"> · Locally, what are the differences between the beaches we live close to? · Find British seaside towns on an Atlas. 	<p>soil). You could add stones, sand, use a sieve, cotton wool.</p> <ul style="list-style-type: none"> · If you can, go rock pooling. What did you find? · How many words can you come up with that relate to the seaside?

Free Online Resources:

Name of Resource	Overview/Notes	Website address/Hyperlink
Times Table Rock Stars 	Continue to encourage the children to complete regular practice of their multiplication and division facts.	https://trockstars.com/

Numbots		For Reception and Key Stage 1 to build basic skills and number facts practice.	https://numbots.com/
Spelling Frame		Spellingframe includes all the words - both statutory and the example words - from the National Curriculum for Spelling for Year 1 to Year 6. Choose a spelling rule and each word is read aloud and provided within a sentence for context. Different games to help with practice.	https://spellingframe.co.uk/
Manchester Children's University		Useful information and resources about a range of different topics. The history and science resources are especially useful if completing topic-themed projects.	https://www.childrensuniversity.manchester.ac.uk/
Teach Your Monster to Read		Covers everything from letters and sounds to reading full sentences. Complements all synthetic phonics programmes used in schools. Computer version is 100% free.	https://www.teachyourmonstertoread.com/
Phonics Play		Practice letter sounds and phonics using the simple games and activities on this website.	https://www.phonicsplay.co.uk/
BBC Bitesize Primary		A vast bank of resources for the full range of subjects. Includes information slides, video clips, games and interactives.	https://www.bbc.co.uk/bitesize/primary
Oxford Owl		Lots of different learning resources to support home learning, including a full range of Oxford Reading Tree e-books that can be read on tablets and computers.	https://www.oxfordowl.co.uk/
Scholastic		An American site, so organized into grades rather than year groups. However, there are daily activities which involve reading a text and completing some activities.	https://classroommagazines.scholastic.com/support/learnathome.html

Top Marks Education 	Games and activities to support learning in different subjects	https://www.topmarks.co.uk/
Doorway Online 	Doorway Online is a collection of free and highly accessible educational games that learners will find easy to use independently. Each activity has a range of accessibility and difficulty options. Originally developed with funding from Scottish Borders Council, it is now managed by the Doorway Accessible Software Trust, a Scottish charity.	https://www.doorwayonline.org.uk/
Britannica Visual Dictionary 	A great site to support the development of children's vocabulary as part of their reading and 'word catching'.	https://kids.britannica.com/kids/browse/dictionary
Scratch Junior 	Coding activities for children to develop their computing skills. Site has different projects for the children to complete and is available on computers and tablets.	https://scratch.mit.edu/
Corbett Maths 	Key Stage 2 resources for maths. Differentiated worksheets, 5-a-day maths sheets and questions, as well as video clips of tutorials for questions that need more support. Can search for questions by topic.	https://corbettmathsprimary.com/
