**The National Three Peaks Challenge 27<sup>th</sup> and 28<sup>th</sup> of May 2021**  
**to raise funds for the mental health charity Young Minds (<https://youngminds.org.uk>)**

Dear Parents,

With only three weeks left now until some of our staff, including Mrs Wiseman, take on the Three Peaks Challenge, we would like to involve the children in their own challenge at school and at the same time help develop their fitness.

With this in mind, we would like the children to take part in a daily mile (walk or run) which will take place during the school day. The Doddi School Council met with Mrs Wiseman earlier in the week and came up with a fantastic idea of conquering a mountain each week. They will start by walking Ben Nevis this week, followed by Scafell Pike and finishing with Snowdon in the final week. Children can bring in trainers to change into.

By taking part in the challenge each day, from the 6<sup>th</sup> of May until the 28<sup>th</sup>, the children will have completed the 23-mile total distance of the challenge which will be an amazing achievement.

There is still time to sponsor us should you wish, and you can do this through our just giving page.
